## The Beautification Foundation Funds New Cemetery's Landscaping and Maintenance

On November 11, 2001, Arkansas's patriotic citizens dedicated the new State Veterans Cemetery in North Little Rock.

Our federal government fully funded the award winning design and construction of the Cemetery. Our great state government, under the direction of the Department of Veterans Affairs, assumed the responsibility of maintaining the Cemetery.

An integral part of establishing a new cemetery of this magnitude is the task of landscaping and beautifying the grounds and facilities. This important task has become the

responsibility of the equally new *Arkansas State Veterans Cemetery Beautification Foundation*.

The Foundation is now actively soliciting donations and pledges to fund the many expensive beautification projects underway at the Cemetery.

You and your organization's gifts and pledges will be used only for the Foundation's goals.

Since the Foundation is a 501(c)(3) non-profit corporation, all gifts are tax deductible to the donor. Thank you to all who have supported us now and in the future.

### Messages from Three Friends of the Foundation

"The Arkansas State Veterans Cemetery honors the sacrifice of every man and woman who has served in our country's Armed Forces. This lasting memorial has been a labor of love, and I commend the Beautification Foundation for maintaining this hallowed ground. Thank you for marking our veterans' resting place with such an appropriate tribute."

*...Arkansas Governor Mike Beebe*

"As a former Governor and an American, who owes his freedom to our veterans, I know the importance of our veteran's cemeteries and the important work being done by the Arkansas State Veterans Cemetery Beautification Foundation. I would like to add my personal thanks to Jim Pat Mills for all his hard work on behalf of the veterans of Arkansas."

*...Former Governor Mike Huckabee*

"Many have fought and died for the great freedoms we enjoy today. Let us, the beneficiaries of Freedom and those of us who survived the battles of war, join together in partnership to enhance and beautify our living memorial, the Arkansas State Veterans Cemetery. They asked so little and gave so much. Now, it's our turn."

*...Nick Bacon, (MOH), Past Director, Arkansas Department of Veterans Affairs*
